

Canada Family Action Coalition 2005 PETITION (Defend Marriage)

TO THE HONOURABLE HOUSE OF COMMONS OF CANADA IN PARLIAMENT ASSEMBLED

WE THE UNDERSIGNED CITIZENS OF CANADA, draw the attention of the House to the following:

WHEREAS the majority of Canadians believe that fundamental matters of social policy should be decided by elected Members of Parliament and not the un-elected judiciary; and

WHEREAS the majority of Canadians support the current legal definition of marriage as the voluntary union of a single (that is, unmarried) male and a single (that is, unmarried) female;

AND WHEREAS it is the duty of Parliament to ensure that marriage is defined as Canadians wish it to be defined;

THEREFORE WE, THE UNDERSIGNED petition Parliament to use all possible legislative and administrative measures, including invoking Section 33 of the *Charter* (the notwithstanding clause) if necessary, to preserve and protect the current definition of marriage as between one man and one woman.
